

JEANNIE CLINKENBEARD

Founder of Inside Out Innovation Innovation Tournament Facilitator and Presentation Coach

Jeannie Clinkenbeard helps leaders and teams innovate and communicate.

As an energetic master facilitator Jeannie works with teams to develop exceptional ideas that grow their business. She works with leaders to create compelling presentations that share those exceptional ideas.

Until recently Jeannie was a leadership trainer and coach at McKesson – a fortune 5 healthcare company.

Jeannie has run Innovation Tournaments with: IT professionals, warehouse managers, nurses, project managers, regional sales directors, HR professionals, and attorneys. This is a process that any team of any industry can use to create a culture of continuous innovation.

Jeannie will help you run Tournaments at your organization. So as a leader or facilitator - you can bring a structure and process to team innovation, and generate exceptional ideas.

Jeannie is a hiker, mosaic artist and dog-aholic.
